Chauncey Depew has a letter written IRELAND ON POPULAR EDUCATION, to him by the Prince of Wales, but he will use it as presidential boom material.

packer. Hereditary economy in the family probably in ancient times gave rise to

such a name. Mason" will not equal the famous English nobleman. It may get up, but they are not sure of "down again.

hot weather is likely to make Grove

If the probibationists are sincere in the declaration that their hobby is stronger THE KELLY WICHITA RALLY.

As a state pension agent B. Kelly, Esq., ems a little promiscuous. He was so as a preacher. The curb-stone discussion or the midnight caucus were as full apt to hold him as his pulpit or study. His assumptions of a state supervisorship have hardly been warranted by any special breadth of beam as a statesman or by any personal sacrifice, vicariously or otherwise, made in behalf of the people. His disposition to lay awake nights in the throes of political parturition that oftener results in miscarriages than in anything like startling revolutions, has been well understood by everybody excal perquisite, or in other words, having far in advance it may be of the crop, traded his allegiance to the Prince of should warn the Alliance that it is about than that of any ordinary paid patriot- to the cotton crop.

wordly work? long as he occupies his present position and vegetables, the Carolinas with their we shall treat him as we would any other long staple cotton, rice, turpentine, hoopcheap clap trap who should take it upon poles and pumpkins, Virginia and Ken-measures may be accepted by the counhimself, either through presumption or tucky with their tobacco and hemp, Ten- try. But circumstances after cases, and ignorance to misrepresent Wichita or to nessee and Alabama with their coal and there is no more assurance that the counmisrepresent anything else designedly iron, and Arkansas with its lumber. and for a purpose.

he first came to Wichita that the place the claim. was full of saloons and empty houses, that there were more empty houses in the city at that time in proportion than at any time since, and that he challenged may denial of such declaration. The Exall denies it, denies the assertion in detail and in toto. It is just as big a falsehood falling from the lips of Bernard Kelly as if uttered by any other man.

B. Kelly is cute, even smart and domi- right at heart. neering and selfish, but his profundity to wiggle along on her wicked ways.

## SOL MILLER AND HIS CHIEF.

FTATE REPUBLICAN RESURMISSION CONVENTION.

A delayate convention of the Republican Results will be held in the city of Nichita, on Thesion, the wild any of September, at light of the Country of the Republican Results of the Results of the Republican Results of the Results of the Republican Results of the unfailing and unvarying influence with settlers in Chicago who refer to the Chicago river as "the drink." This is in a is a conspicuous verification of the importance or value of the personality of a delicacy against the "sucker" pioneers, newspaper. The "Chief" has been as reinfeadent of Public districtions. He places the parent first those who include in them than to those adroit. He places the parent first and above every other agency, and whom they are aimed, besides tending would make the neglect of that duty to lower the the judiciary of the country.

Mr. Charles Phinizy, of Athens, is an ford park to the public. One thousand buy their seed wheat There is not enough unerring marksman, says a Georgia conmen, white and colored, formed in the wheat in the territory to supply the demonstration of forces at the court square.

The church is, indeed, a most potential educational agent, and no one will question the right of the parent to invoke its aid in imparting the form and character of instruction that it is its province to impart, but this obtains primarily and in a general way to the moral and spiritual training, and if it is to be extended to the intellectual and physical, it must be by the election of the parent recognizing his inability to do so, and not by constraint from any source.

TRENCHING ON OTHERS' PRESERVES.

The first bale of this season's cotton crop is reported as having been brought cept by the leaders of the prohibition into Albany, Ga., on July 6, and sold at party and by the politicians who profited auction, bringing 15% cents per pound by an adherance to that party and to and weighing 320 pounds. It is a little Kelly himself. And as a presiding elder early for cotton, and probably quite a he was allowed a political paternity that | number of days will stretch between the reached from Fort Scott to Dodge City arrival of the first and the second bale of and to the borders of the heathens on the new crop; nor is the price indicative the south. But having dropped his cler- of anything, probably, save the fancy of ical robes for the toga of party and given possessing the first bale. spouter who comes along to fire the This Georgia freak is clearly trenching friends of freedom in the interest of his upon Mississippi's preserves, that state We have heard men say that beretofore uniformly producing the first hey would heatate to receive the sacra- bale of cotton. Georgia is accorded first ment at the hands of Botkin while he was place with her melon crop, and now that ngaged in vilifying his fellow men from she has outrivaled the cotton state in the the stump; why not from Kelly's hands, early production of its great staple, we who has succeeded to the fruits of his may expect to see it enter the list with a consummation in the tariff matter as Texas for the first wheat, Louisiana with has been reached in the silver; and, upon For one, we don't know why, and as its ribbon came, Florida with its fruits the idea that to a starving man a half

QUALIFY THE HOWL.

There is, and its name is the Wichita Mr. B. B. stands for bess-Kelly is Eagle. The Eagle has not been hired further posing generally and often, as by Ingalls, or by any friend of Ingalls; it the friend of Wichita. As much as it has never had a cent directly or indirectmay surprise some people on the outside, by from Ingalls, or from the friends of Mr. Kelly did not make Wichita, nor Ingalls; it has never had the promise of does he own it now. On the contrary, an office or of anything of value from Induring his pastorate here-he caused more galls, directly or indirectly, and it never during his pastorate here be caused more dissentions among a people, famed for their unity, than any man that ever lived here.

B. Kelly is cute, even smart and domi-

The above charge against Ingalls and and depth exist only in the imagination the newspapers that support him is, on its

belinsman he will prove a dismal failure, it comes to securing offices for his perand our advice to him would be to attend | sonal friends, and that he has not enough strictly to making out pension checks money and property combined to buy up and drawing his salary, leaving Wichita one such Republican paper as the Eagle, which paper supports him simply on the grounds that we have not another man in the state who, inside of ten years,

Sun of Dana. There have been We all hope so, because we know that few successes in the newspaper it ought to be so; but it is by no means world in the absence of such personality, certain that it will be so. We can tell The more intensely a paper reflects the better how it will be when the census

Judging by the sentiment of the people throughout Kansas as expressed in meetings held in very many towns, original package houses are far more obnoxious than joints.—Atchison Patriot.

Of course they are. And the reason are so patent that they need not be stated.

Commodore Muriock of Wichita should have welcomed the "A. L. Mason" at Kansas City. The absence of the only Kansas personage distinguished in recent naval events from the scene of the Mason's arrival, indicates that Kansas feels little interest in the revival of Missouri river traffice.—Torska Carital ic.—Topeka Capital.

Our experience as a navigator in itself is a sufficient guaranty against our, welcoming any such humbugs to the lines of commerce as the craft alluded to,

The Republican newspapers of Kansas who have been professing such greatlove for the Alliance are now beginning to show their hands. Abuse is being heaped upon the organization and all its officers, national, state, county and local, in large quantities. It's part of the Republican plan to disrupt the Alliance.—Kingman Democrat.

For one the EAGLE denies the mild impeachment in the foregoing. But even the Democrat will not deny that the calous solicitude manifested by it and fend Farmer Funston. Peace for party pottage, we don't know time for the preparation of the statistics its political associates for the political welfare and success of the Alliance is ous denunciation of some of the methods employed for political ends.

Now if congress would only do as well by the country in the tariff legislation as it is doing about silver, the next house will be Republican.—Salina Republican.

The indications now point to just such

try will approve of the compromises reond for a purpose.

It is reported that Mr. Kelly, the other

Georgia has long claimed the sobriquet who forced them upon it by their arbinight at Garfield hall, declared that when she is making a great stagger to maintain trary action than that the starving man would regard as his true friend the one who would wantonly withhold the food he is entitled to, giving him only enough to keep himfrom starving. As before stated, these compromises only put off the evil day for the foes of the people's best interest; the issue will be finally joined sooner or later.

A CLEVER STATEMENT OF FACT. The talk in the Democratic and mugwump papers that the great, patriotic, Republican state of Kansas is going to retire Mr. Ingalls at the end of his present term is a libel upon its fair name. The Democratic assertion that he is the derer, and is no more worthy the considration or credence of any sensible man. of the crowd he runs and, perhaps, in his own estimation. Whatever may have been his success as a preacher, politically.

We can not believe that any great number of farmers will be guiled by any such desiration that the Champion would stilly and contemptible slanders, or that have supported Ingalls for a consider there is any doubt whatever of the elecand his power of direction while robed with authority, as a state party strategist and arbiter and as a state house gist and arbiter and as a state house belowmen he will prove a dismal failure.

The truth is, and it is one known to favor of his re-election. It would be a national calamity to retire Mr. Ingalls

AN AGE OF PROGRESS. from the senate, a blunder akin to a crime, and greatly would Kansas rue the It has come at last; y day the foul act was consummated. We said that hypnotism would sooner or wish him increased honors, and length later be utilized in the way of benefitting of days beyond the longest-lived of his ancestors. It would please us exceedingly, in this day of political supersensi-tiveness, mugwumpery and demagogy, "The Weekly Kansas Chief," better known now as "Sol Miller's Chief," but States senate maintained by Ingalls, nor

of the lower Mississippi it will no doubt, seem like rankest folly to attempt to steadily diminishing for many thousands of years. No one doubts that there was time when the Cspian sea communicated with the Black sea, and when the Mediterranean covered the greater part of the desert of Sahara. In fact, geologists tell us that at one time the whole earth's surface was covered by water many fathoms in depth.

newspaper. This renth is denied and ignored by many would-be influential journals of later times, but the fact remains. We read one of Mr. Kipling's that there is all the difference of influ-stories. It wasn't half so good as Ameri, and bathe in their boyhood, have, in provision houses in her majesty's kingego, the other the vehicle of many bands, for twenty-seven years "The Chief" has come to us, without a skip, and for twenty-seven years Sol Miller has talked to us, weekly, and not the Chief, not the

Such a name.

Children, even to the extent of making it compulsory. He even went so far as to express regret for the necessity for the parish school, and then in the max breath sis nobleman. It may get up, but they not sure of "down again."
